

AVPL CA-MB - Cast Aluminum Manufactured Lantern Bollard

Description

An outstanding traditional design and authentic appearance that is suitable for a variety of lighting applications. The CA-MB series by AV Poles and Lighting is ideal for courtyards, pathways, and all low level lighting applications.

Materials

Cast and extruded aluminum construction

Acrylic injection molded lenses

Stainless steel hardware

Medium base porcelain socket

TGIC thermoset polyester powder coat finish is electrostatically applied at a 3.0 mil nominal thickness. A five stage metal pre-treatment process and sealer provide maximum corrosion resistance. The powder top coat is baked in excess of 400 degrees for supreme endurance.

5 year warranty on LEDs
