DESCRIPTION

The RSTA is ideal for courtyards, pathways, municipal, and commercial decorative light pole applications. For use with most post top fixtures. Mountable on wooden poles, existing or new.

FEATURES

Bullhorn arms fabricated from 2.375" O.D. A500 grade B structural steel schedule 40 pipe.

Wood pole clamp fabricated from 0.188" wall steel.

Stainless steel hardware.

TGIC thermoset polyester powder coat finish is electrostatically applied at a 3.0 mil nominal thickness. A five stage metal pre-treatment process and sealer provide maximum corrosion resistance. The powder top coat is baked in excess of 400 degrees for supreme endurance.
