DESCRIPTION

This versatile bracket is suited for traditional and contemporary fixtures. The SA is ideal for municipal, and commercial decorative light applications.

FEATURES

Spoke arms fabricated from 2.375" O.D. A500 grade B structural steel schedule 40 pipe.

Mounts over 2.375" O.D. tenon.

Stainless steel hardware.

TGIC thermoset polyester powder coat finish is electrostatically applied at a 3.0 mil nominal thickness. A five stage metal pre-treatment process and sealer provide maximum corrosion resistance. The powder top coat is baked in excess of 400 degrees for supreme endurance.
