

## STEEL SPOKE ARMS

### DESCRIPTION

This versatile bracket is suited for traditional and contemporary fixtures. The SA is ideal for municipal, and commercial decorative light applications.

### FEATURES

Spoke arms fabricated from 2.375" O.D. A500 grade B structural steel schedule 40 pipe.

Mounts over 2.375" O.D. tenon.

Stainless steel hardware.

TGIC thermoset polyester powder coat finish is electrostatically applied at a 3.0 mil nominal thickness. A five stage metal pre-treatment process and sealer provide maximum corrosion resistance. The powder top coat is baked in excess of 400 degrees for supreme endurance.

SUITABLE FOR  
**WET**  
LOCATIONS
